Selecting your Environment

Initial site visit...

Sports fields

Stream corridor

- Sport
- Ecology
- Heritage
- Civic
- Informal
- Landscape

Visiting the site enabled me to map out the key environment modules

Desktop study...

Heritage trees

- Sport
- Ecology
- Heritage
- Civic
- Informal
- Landscape

Research into the Unitary Plan and heritage report identified trees on this site with heritage value

Consultation & design development...

Wet area

- Sport
- Ecology
- Heritage
- Civic
- Informal
- Landscape

Consulting with community members, sports groups and Parks Officers has identified an area of low lying ground which can be transformed into an ecological area
